Cruise Travel & Tours, South Africa's operator of regular cruises from and around the South African coast, is promoting that the Cruise Liner, MSC SINFONIA, will from November 2012 operate cruises from Cape Town and Durban to destinations in the , Namibia, St Helena, Indian Ocean and Mozambique Channel.

At 58600 tons and close to 2100 passengers, the MSC SINFONIA was the largest and most modern cruise ship to have ever operated from a South African port.

The MSC SINFONIA is a new liner hosting 778 cabins, of which 135 are suites with private balconies.

The ship also boasts 3 restaurants, 7 bars, 2 pools, spa, business and conference centre, internet café, casino, cigar room, disco, fitness centre, golf simulator, library, card room, mini club, teen's club, exchange office and medical centre. The facilities and onboard activities allow for travelers to tailor make their own experience whilst in the luxurious surroundings.

“The market appears to be calling out for a world class liner in the region, the South African economy suggests to us that our timing is exactly right. We believe the SINFONIA represents most excellent cruising at the best value, and offers the most exciting local holiday in these trying times. This is definitely the biggest single development in the local cruise industry in South Africa since we first pioneered leisure cruising off this coast.”

From daytime activities to evening entertainment, all tastes and needs are catered for. Children are more than welcome with relevant facilities offered. Children up to the age of 18 travel free.
